The Canadian Fossil Discovery Centre is dedicated to educating and challenging the minds and imaginations of individuals. We invite you to join us in exploring the geological and paleontological history of Southern Manitoba.

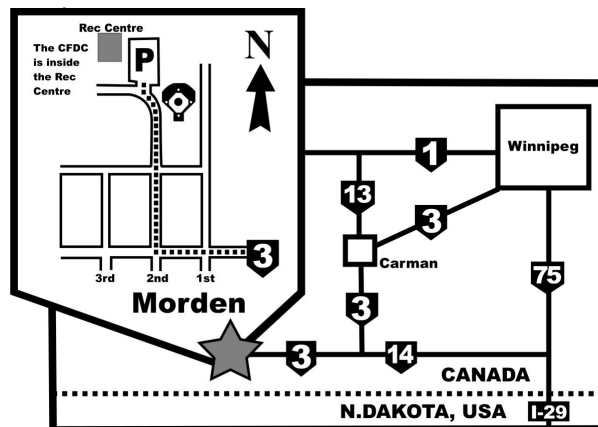

The program begins at the Canadian Fossil Discovery Centre (CFDC) with an explanation of how this area was once submerged beneath an ancient sea. The tour features a 13m (43ft) Mosasaur along with many other marine creatures of the late Cretaceous Seas – from plesiosaurs to ammonites and sharks. The tour also includes rock types and their roles with fossils. You will learn about fossil collecting techniques, identification and the significance of fossils.

We offer two tour options: Basic and VIP. The Basic Tour is a 60 minute guided tour of our museum gallery. The VIP Tour includes a 60 minute guided tour of our gallery and a 15 minute guided tour of our amazing Collection Room.

Each tour is catered to individual groups. Large groups are divided into two groups. This will require more time spent at the museum as the groups will start their tour approximately 15 minutes apart. To occupy times spent waiting for the other half of the group, there is the Baseball Hall of Fame located upstairs in the Recreation Centre. There is no admission fee and guided tours can be arranged through Joe Wiwchar at (204) 822-4636.

Lunches can be provided by; Recreation Centre catering – contact Program Coordinator Lisa Kruger at (204) 822-5431 **or** the Morden Friendship Centre (204) 822-3555. For information on other restaurants located in Morden please visit www.mordenmb.com.

- Payment accepted: cash, cheque and Visa or MC. An invoice will be provided upon request.
- Our gift shop will be open and offers a wide variety of souvenirs, books, toys, rocks and fossils.
-

**Travel time from Winnipeg (Hwy 3 & Perimeter Hwy)
is approximately 1 hour and 15 minutes.**

Thank you very much for your help in making this an excellent tour for your group.
